

SETTING UP APPLICATION ENVIRONMENT

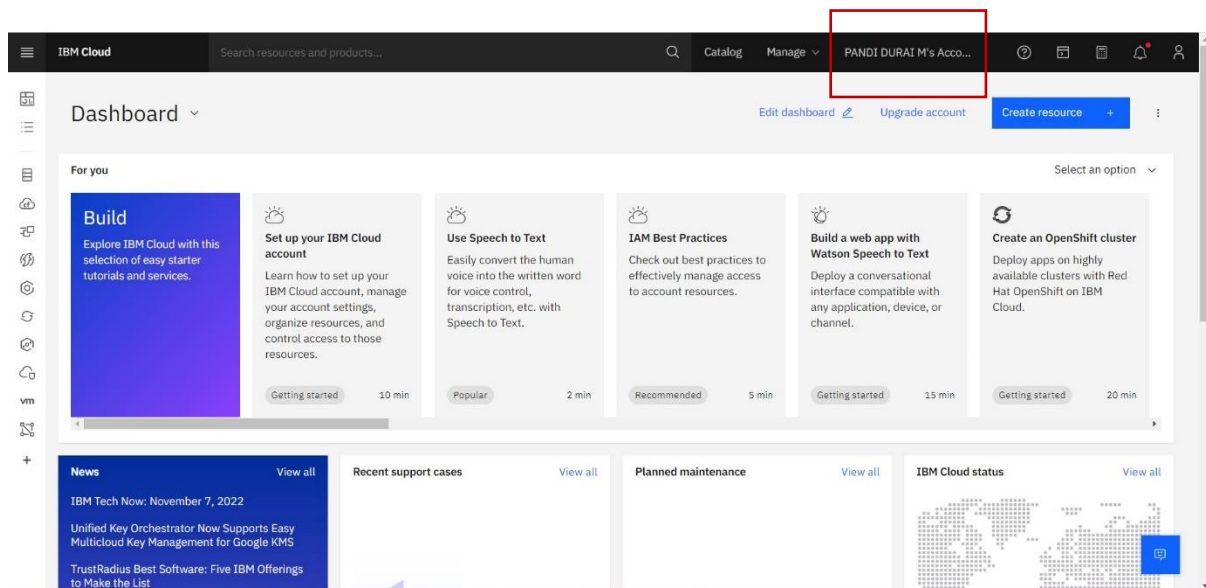

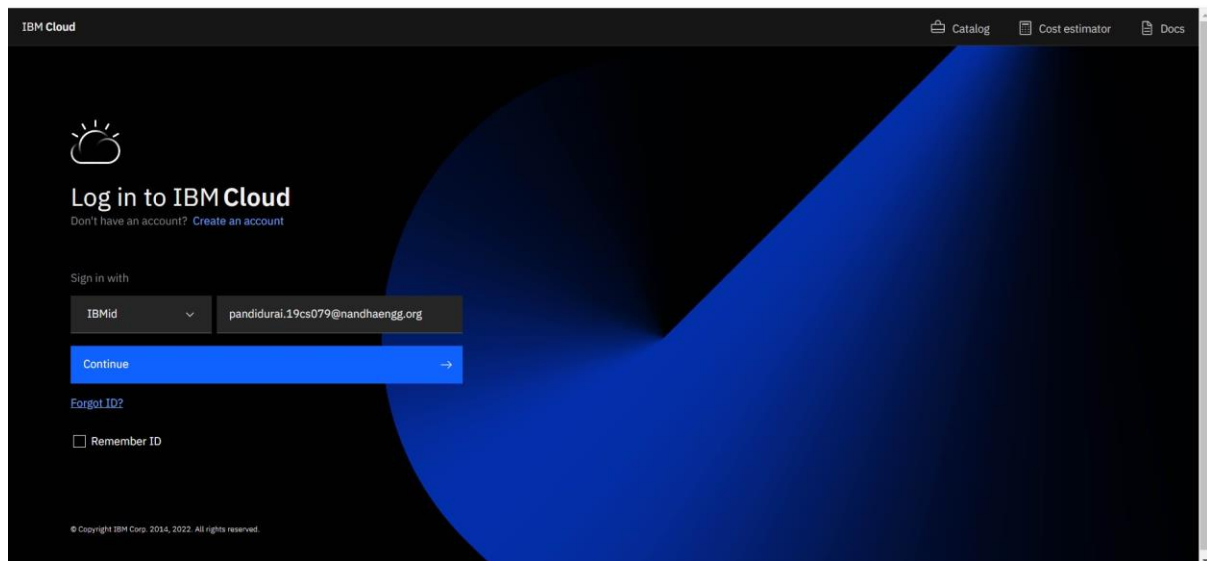

CREATE IBM CLOUD ACCOUNT

STEP 1 : Navigate to IBM. // academic and register with your smartinternz mail.

A screenshot of the registration form on the IBM SkillsBuild website. The form is titled 'Enter your academic institution issued email to begin'. It includes a sub-header stating that only students and faculty of participating academic institutions are eligible. Below this, there is a text input field for the email address, which contains the text 'pandidurai.19cs079@nandhaengg.org'. A link for 'frequently asked questions' is provided. At the bottom, there is a blue 'Submit' button. On the left side of the form, there is a photograph of two students, a woman and a man, working together on a laptop.

PNT2022TMID19523

STEP 2 : Now go to cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

OUTPUT : Cloud account created successfully.
